All information about the location of the cellphone 619-679-2534 (“**Target Telephone**” and/or “**TT-1**”) described in Attachment A for a period of **thirty (30) days**, during all times of day and night. “Information about the location of the **TT-1**” includes all available E-911 Phase II data, GPS data, latitude-longitude data, and other precise location information, as well as all data about which “cell towers” (i.e., antenna towers covering specific geographic areas) and “sectors” (i.e., faces of the towers) received a radio signal from the cellular telephones described in Attachment A.
